## 10.00 - 10.15: NPN Team – Opening Ceremony

A warm welcome held by the NPN team, this opening ceremony sets the tone for the weekend. We call in the support of our ancestors and grid the event into the collective heart space, opening to our shared journey.

## 10:15 – 10:30: Keynote Introduction with Dr David Luke

Psychologist, author, and altered states scholar; co-founder of Breaking Convention. David explores psychedelics, consciousness, and spiritual science.

## 10:30 – 11:30: Psychedelics Panel

**Breaking Convention, Dr David Luke; The Chacruna Institute, Marta Camagna; We Are The Medicine, Jeya Lorenz; Alalaho Retreats, Jennifer Tessler**

Panellists discuss practices for reintegrating prayer, the state of psychedelic research, and the lack of spiritual depth in non-Indigenous psychedelic contexts.

## 11:30 – 12:30: Research Presentations

### Reawakening the Mysteries of the Cosmic Feminine

with **Arabella Thais**: Founder of The Temple of Truth, host of The Cosmic Codex podcast, PhD candidate exploring metaphysics, time, retrocausality, and cosmic femininity.

### Anchoring the Soul

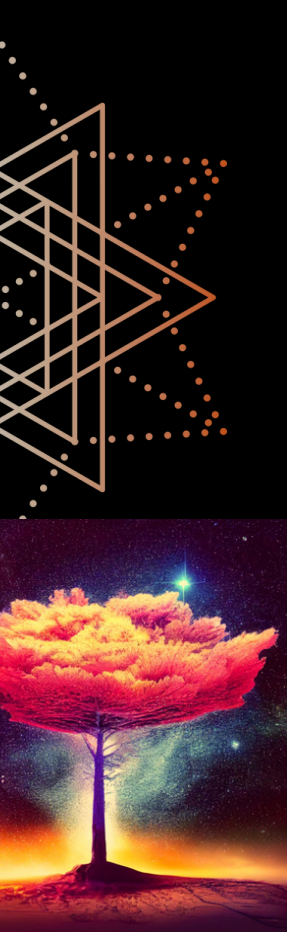

with **Remo Eerma**: Life-long student of Transpersonal Psychology, father and psychotherapist. His research explores how we embody deepest essence in everyday life.

## 12:30 – 13:00 Lunch Break

## 13:00 – 13:45 Rebecca Grace – Rise & Shine Education Workshop

Founder of New Earth Education, Rebecca offers a session weaving songs, nature-based lessons, energy tools, games, and art for building conscious classroom culture.

## 13:45 – 14:15 Annie Goliath – Artist Film & Talk

Award-winning artist/filmmaker exploring ecology, consciousness, and creativity through film, sound, and eco-poetics. Annie shares her practice-based research and short film as an invitation to shift from extractive worldviews.

## 14:15 – 15:00 Tribal Council with the indigenous grandmothers

**Padma Khandro** will guide a multidimensional workshop exploring the Grandmothers archetype and 'Dreaming' cosmologies from both Indigenous and contemporary wisdom traditions. Drawing on decades of experience in sacred activism, ancestral science, and feminine mysticism, Padma will invite participants into a telepathic, synarchic weaving session, an act of sacred co-creation and reclamation of the feminine principle as it is revealed in naturally occurring systems.

## 15:00 – 15:15 Break

## 15:15 – 16:15 Research Presentations

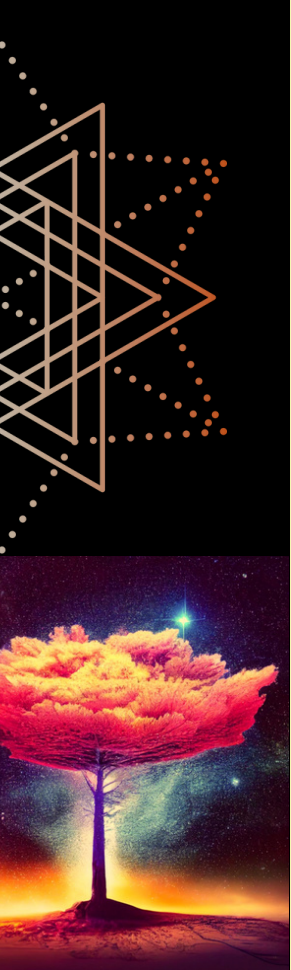

**Motherhood, Myths and Mycelium with Rainbow Goddess:** Mother, matricentric feminist researcher, mushroom shamanka and medicine musician. Her research uses a mycelium metaphor to demonstrate the meaning of spiritual community for single spiritual mothers.

**The New Earth is Decentralized with Bruce Robinson:** A software engineer, systems thinker, and perennial philosopher exploring decentralized and regenerative systems inspired by nature—like the mycelial network. His presentation weaves together philosophy, history, modern case studies, and emerging technologies to illuminate a path toward a more interconnected future.

## 16:15 – 17:00 Sacred Open Mic – Featuring Gloria Yehilevsky

A closing circle featuring prayer songs, music, spoken word and spontaneous expressions, a virtual fireside led by Rainbow Goddess.
